Arriving outside of reception opening hours

Prior to arriving at reception, you can call them on **+44 (0) 191 208 6817** and they will arrange to meet you and hand over your key. *Please note you will need to have your **ID and Key Collection Pass** ready.*

If you are already at Jesmond Road or don't have a UK enabled device to call from, there is a **Help Point** located outside the main door at 16 Windsor Terrace, as well as a **Help Point** outside the reception entrance which will take you through to the Estate Security Service.

Using your key card

Your key card needs to be activated as you enter your building on the day you move in. You must do this by holding the card against the card reader box next to the side of your outer building door.
